

Technical Data Sheet

Product: SWD Dry Lure

Product: : SWD Dry Lure
Code: PH-288-1BP

Product function: Monitoring and mass monitoring

Description: This product is a kairomone lure for the spotted wing drosophila (SWD)

Scientific name:	<i>Drosophila suzukii</i>
Active ingredients:	Natural <i>Drosophila suzukii</i> attractant
Dispenser:	Blister pack
Longevity:	12 weeks at 24°C, longevity is reduced in higher temperatures
Packaging:	Box of 50

Trap Application:

Remove the silver foil on the blister pack and dispose away from the monitoring area, take care not to remove the plastic film under the foil. Place the lure inside the lid of the trap and close, or attach to the red sticky traps using green wire tie. Monitor in wild hedgerows and woodland during winter months; placing traps at 10m intervals, 1m above ground level preferably above bramble.

Suitable Traps:

Use in combination with liquid lures or with soapy water to maximise trap catch in the Suzukii Trap. The SWD Dry Lure can also be paired with the Red Impact Board for quick and easy monitoring.

Trap Density:

For monitoring set the traps around the perimeter of the crop at 10m, 5m or 2m intervals in early season. If SWD are present in the traps when fruit is developing then add 2 or more traps per hectare inside the crop approx 10m from the perimeter.

When to Use:

For best effect, monitor and trap SWD throughout the year.

Replacement:

Replace the lure every 12 weeks or earlier if the liquid dissipates from inside the packaging. Service the traps every 2 - 3 weeks to monitor SWD.

Storage: Store in a cool, dry place out of direct sunlight. Store at 4°C in a refrigerator, at this temperature the product will remain effective for 12 months.

Precautions: Handle carefully, avoid extensive contact by hand and wear gloves when handling. Direct contact with the hand may cause cross contamination leading to mixed catches in the trap. Some pollutants such as nicotine may have repellent effect of reducing trap catch. Do not eat or drink while handling this product.
